2-2-2	Out-of-town call. All firemen to report to station.
1-1	All-out signal.
2	Blasts at 7:30 a.m., no school all day.
2	Blasts at 11:30 a.m., no afternoon session
2	Blasts at 7:30 pm., Fire Department meeting.
1	Blast, water to be shut off in thirty minutes.

Notice

Brush fire, chimney fire, all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Any one sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12:45. Do not sound alarm unless necessary.

Alton Budget Committee

Alton Town Warrant
State of New Hampshire

To the Inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the twelfth day of March next, at nine o'clock in the forenoon, to act upon the following articles:

1. To choose all necessary Town Officers for the ensuing year, and to elect a Selectman for three years, a Selectman for two years, one Library Trustee for three years, one Water Commissioner for three years, and one Fire Ward for three years.

You are also notified to meet at the said Town Hall at seven thirty o'clock in the evening on the same date to act upon the following articles:

2. To see what sum of money the town will vote to raise and appropriate to pay all necessary charges of the town for the ensuing year.
3. To see if the town will vote to raise and appropriate a sum not to exceed \$1,800.00 for the purpose of rebuilding and resurfacing with Tarvia the town gravel roads, so-called, and to authorize the Selectmen to borrow against the credit of the town, the said amount on long term notes or bonds.
4. To see what sum of money the town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year in addition to that required by law.
5. To see what sum of money the town will vote to raise and appropriate for the removal of snow from the town highways for the ensuing year.
6. To see what sum of money the town will vote to raise and appropriate for the purchase of Tarvia and the application of same.
7. To see if the town will vote to raise and appropriate the sum of \$1,553.55 provided the State will contribute the sum of \$10,356.98 for Class V roads, so-called.
8. To see if the town will vote to raise and appropriate the

sum of \$3,700.00 to rebuild and resurface Riverside Drive, so-called.

9. To see if the town will vote to authorize the Selectmen to borrow monies in anticipation of taxes.
10. To see what sum of money the town will vote to raise and appropriate for the maintenance of the Public Library.
11. To see what sum of money the town will vote to raise and appropriate for patriotic exercises on Independence Day.
12. To see what sum of money the town will vote to raise and appropriate for the decoration of Soldier's graves.
13. To see if the town will vote to raise and appropriate the sum of \$808.07, which is 1/100 of 1% of the assessed valuation of the town, to the Lakes Region Association for the purpose of publishing and promoting the natural advantages and resources of the town in cooperation with other towns in the Lakes Region.
14. To see if the town will vote to raise and appropriate the sum of \$1,200.00 to the Alton-Alton Bay Chamber of Commerce for the purpose of publicizing and promoting the natural advantages and resources of the town.
15. To see if the town will vote to raise and appropriate the sum of \$250.00 for spraying trees along the town highways.
16. To see if the town will vote to raise and appropriate the sum of \$200.00 to be expended under State supervision for the control of White Pine Blister Rust.
17. To see if the town will vote to raise and appropriate the sum of \$550.00 for the control of the Dutch Elm Disease.
18. To see if the town will vote to raise and appropriate the sum of \$250.00 for the support of the Laconia Hospital at Laconia, N.H.
19. To see if the town will vote to raise and appropriate the sum of \$500.00 for the support of the Huggins Hospital at Wolfeboro, New Hampshire.
20. To see if the town will vote to raise and appropriate the sum of \$6,610.00 for Parks and Playgrounds including Band Concerts.
21. To see if the town will vote to raise and appropriate the

sum of \$5,500.00 for the purchase of a new truck and to authorize the Selectmen to borrow the sum of \$3,500.00 against the credit of the town on long term notes.

22. To see if the town will vote to vest in the Board of Water Commissioners the duties prescribed by Chapter 38 of the New Hampshire Revised Statutes as amended. (By petition)
23. To see if the town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.
24. To see if the town will vote to raise and appropriate the sum of \$5,720.00 as a salary for the bookkeeper.
25. To see if the town will vote to raise and appropriate the sum of \$12,000.00 as salaries for the persons on duty as operators of the town Fire and Police telephones.
26. To see if the town will vote to rescind Article Three as published in the Town Warrant of the 1964 Annual Report. (By Petition)
27. To see if the town will vote to raise and appropriate the sum of \$8,000.00 to make repairs to the fire alarm system and to authorize the Selectmen to borrow against the credit of the town the said amount on long term notes or bonds.
28. To see if the town will vote to join with other communities bordering Lake Winnepesaukee in the formation of a Regional Planning Commission to be known as the Lakes Region Planning Commission. The purposes, membership and powers shall be as specified in Chapter 36, Sections 37-44 of the New Hampshire Revised Statutes Annotated, pertaining to Regional Commissions.
The initial goal of the Commission shall be to provide coordinating and assistance between communities in all planning and development matters affecting the Region.
29. To hear the reports of agents, auditors, committees or officers hereinbefore chosen and to pass any vote relating thereto.
30. To transact any other business that may legally come be-

fore said meeting.

Given under our hands and seal this sixteenth day of February, 1968.

Report of Forest Fire Warden and District Chief

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump. (PLEASE!)
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

POLICE CHIEF'S REPORT

Alton Police Department for 1967

During the year 1967 there were 116 accidents reported to the Police Department, which is one (1) more than in the previous year; however, the accidents last year were of a less serious nature with less personal and property damage. We were also very fortunate in having no fatal accidents.

Our B. E. and L. complaints for 1967 were less than one-half of those reported in 1966.

The following is a summary of activities for 1967:

Parking Violations	12
Buildings Checked	6985
Defective Equipment Tags Issued	55
Animals Killed	6
Accidents Reported	116
Dog Complaints	88
Criminal Arrests	4
Summons Issued	83
Warnings Given	208
Complaints Answered	224
Aid to Other Departments	199
Messages Delivered	63
Calls for Ambulance	57
Personal Injuries	16
Fires	22
Aid to Individuals	234
Mileage, Days	10,406
Mileage, Nights	33,555
Street Lights Reported Out	23
Special Officers' Assignments	428
Burglaries	3
B. E. and L.	27
Doors Unlocked	16
Cars Checked	616
Suicide Attempts	1
Lost Persons Reported	6
Drowning	1
Stolen Cars Recovered	3

Again, I would like to take this opportunity to thank all other city, county, and state law enforcement departments for their aid, help and co-operation, and all other individuals that have aided us during the year 1967.

Respectfully submitted,

Kelly C. Brown
Chief of Police

REPORT OF THE ALTON WATER WORKS

1 9 6 7

The projects approved in 1966 on Oak Hill and to the Oak Birch Inn have been completed and service is being supplied to these areas.

The new line on Upper Bay Street in the Campground is completed and the majority of the services on the lake front above the Mount's Wharf have been connected to our large main in the road, thus eliminating the summer line at the rear of these cottages.

It is anticipated that the cottages on Manchester Ave. will be connected to a year-round pipe this spring, eliminating a summer line. A new main pipe will be placed in the area in front of the Boarding House, which burned this fall.

Details concerning the water system on the Curtis Development should be completed this spring, which would improve the main pipe to Davenport's and extend to the Curtis property.

Plans are being made to move the location of the hydrant at the foot of Bay Hill to the end of the parking lot near the Bath House for better coverage and service. This will be a new and larger hydrant.

The system is working well with no apparent problems at this time.

Regulations For Customers of the Alton Water Works

Town shutoffs are to be used by or with the consent of the Water Commissioners. These shutoffs are the valves located nearest the water main pipe.

Any town water valve or shutoff disturbed or dug up shall not be covered until inspected and approved by the Water Commissioners.

All customers on summer Water Mains are responsible for securing their water piping before April 19 of each spring to receive the Town Water when the lines are turned on. This usually consists of closing their main control shutoff preventing the water from entering their homes until they are there to check their system for breaks or leaks. The summer Water Mains are shutoff on the Monday following the twelfth of October of each year to allow customers ample time to drain their systems.

Customers of the Alton Water Works with meters are responsible for damage to the meters such as freezing.

No plastic pipe is to be used on buried services unless approved by the Water Commissioners and any plastic pipes used above ground shall have a pressure reducer in use to reduce the water pressure the plastic pipe is exposed to.

Any use of Town Water to buildings or apartments other than those known to the Water Commissioners is prohibited without first obtaining permission for same from the Water Commissioners.

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Tax Collector, Town Clerk, Treasurer, Municipal Court, Trustee of the Trust Funds, and Town Officers Surety Bonds for the Town of Alton, New Hampshire, for the year ending December 31, 1967, and find them correct in all respects.

24 Permits for New Construction	133,542.00
3 Permits for Moving Buildings	3,000.00
TOTAL	\$170,292.00

A total of forty permits were issued.

Respectfully submitted,

Charles H. Jones

Building Inspector

INFORMATION BOOTH

The Information Booth, sponsored by the Alton-Alton Bay Chamber of Commerce completed its 12th year Labor Day.

At the close of the season, 3987 people had registered. Eight thousand activity schedules and posters were distributed, 3000 more than usual.

The chamber for the 10th year sponsored and provided funds for the Labor Day weekend fireworks. This year the band concert was included in its efforts.

With the cooperation of Mr. Warren G. Warner, Manager of the Gunstock Recreation Area, there now is an attractive advertising sign in the recreation building.

A brochure which contains a map of the Town of Alton is available to those who might find one useful.

Respectfully submitted,

Gladys E. Howe
Secretary

ALTON RECREATION PROGRAM

The 1967 program was held for five weeks (July 10-August 11). The adult instructor was Rosina Wallace and Gayle Stevens was our student helper.

The program consisted of organized games, general play, nature study and hikes, arts and crafts, learning games from other countries, and trips. Trips taken this summer were to White Lake State Park, Tamworth; Libby Museum, Wolfeboro; Ellacoya State Park, Gilford; Steam Village, Gilford; Wentworth State Park, Wolfeboro; Benson Animal Farm, Hudson.

The attendance was double that of previous years, with the average being forty-eight. A total number of seventy-five enrolled for Red Cross swimming with forty-four passing. The swimming lessons were given from July 17 to July 28 at Half Moon Pond.

Each year I have set aside a sum of money for new equipment. The new equipment this year included a volleyball set, horseshoes, badminton game, tankaw set, a kickball, two baseballs, one softball, two bats, and one basketball.

Also added this year was a raft. The barrels were obtained by Weston Alden, the lumber was donated by Ed Chamberlain and Pete Peterson, and was built by Pete Peterson. The raft is a very important piece of apparatus, but due to circumstances was only in use for two weeks. In future years, the raft would improve the program immensely. In the future, it would be of more benefit to and safer for the younger children of the community if equipment, such as the raft, were available to the program.

Respectfully submitted,

Gerine Piper
Director

Parks & Playgrounds Committee Report

The purpose of the Parks and Playgrounds Committee is to assist the Selectmen and the Superintendent of Public Works in planning and preparing work and budgets for the various functions of the department.

The 1967 Summer Recreation Program was directed by Miss Gerine Piper. Plans are to continue this program in 1968.

Summer and year round property owners are encouraged to register their children in this fine program.

The committee wishes to thank Mr. Weston Alden, Mr. Ed Chamberlain and Mr. Oscar (Pete) Peterson for their donation of time and materials to provide a swimming raft for the Summer Recreation Program.

The 1967 Barbershoppers Jamboree Committee have donated funds again this year for additional improvements to "Harmony Park Beach." (Formerly East Side Beach at Alton Bay.) The Committee plans to install a Rest Area type shelter with outdoor fireplace, picnic tables and drinking fountain.

The Parks and Playground Committee wishes to thank Mr. Lester Downing and the Jamboree Committee for their efforts in making possible the Annual Barbershoppers Jamboree.

The Edgerly Band of Rochester, N.H. presented five night concerts during the summer. Additional concerts were also presented and sponsored by the Trustees of the Gilman Fund and the Chamber of Commerce. Two concerts are planned for 1968, July 3rd and September 8th.

Five Wednesday Night Street Dances were held at the Band Stand and were enjoyed by many children and adults. It has been recommended that we discontinue this program for 1968.

The Winter Recreation Program was delayed in 1967 due to weather conditions; however it is planned to provide a Ski Bus to the Gunstock Ski Area Saturdays during January, February and December 1968. This service is available to the year round and seasonal property owner's school children.

The committee wishes to thank Mr. Harold "Bud" Finethy, the Chamber of Commerce and Alton School Principal Mr. David Brown for their help in organizing the Winter Program.

The committee would appreciate receiving recommendations as well as criticisms on any matter that pertains to this department from the year round residents as well as the summer residents of Alton.

Report of the Superintendent of Public Works

Town Road Aid

State Contribution	\$ 9,443.90	
Town Appropriation	1,416.59	
1966 Unexpended	249.36	
		<hr/>
		\$11,109.85
1967 Expenditures		9,895.53
		<hr/>
Balance		\$ 1,214.32

Under this program, 1,965 feet of the Old Wolfeboro Road was widened, graveled and drained. In one section, the bank was lowered for safety purposes, giving clearer visibility on up hill driving.

One catch basin and two concrete drains and headers were also installed.

The ditchers were improved on the sides of the road, and shoulders were built up along the ditches.

Twelve inches of tar and gravel were removed and nine inches of gravel and three inches of Farmer's Mix Tar put back.

Many large boulders were removed, which had raised to a point of coming through the tar.

The gravel and tar that was removed from this job was used to build a road in to the reservoir on Bay Hill and Route 28.

The Town of Alton received for use of its labor and equipment \$3577.41. The reimbursement for Town Labor was \$1519.00. The revenue for rental of Highway Equipment was \$2058.41.

This \$2058.41 was used as a credit to the Highway Department's "Summer" and "General Expense" accounts.

Town Road Program

1967 Appropriation	\$8,500.00	
1967 Expenditures	3,633.55	
		<hr/>
Balance		\$4866.45

Alton Mountain Road:

A distance of 2,450 feet was widened, graveled, drained and rough graded. A four foot concrete culvert and headers were installed at the lower part of the road. The road was

raised three feet at the foot of the hill just below the Willard Mudge house for a distance of 247 feet. This will prevent wash-outs in the spring.

Bay Hill:

From the end of the tar, a distance of 520 feet was widened, drained, excavated, graveled and graded, ready for Hot Top, which is to be done in the spring of 1968. Two forty foot steel "tar coated" culverts with headers were installed.

Some of the gravel excavated from this road was used to build up a section along the marsh on Route 140 and to the Letter "S" Road. This area will be used for parking by the Fire Department.

Work on these two jobs were stopped due to winter starting 42 days early.

Dust Control

4700 gallons of waste oil to	
control dust on dirt roads	\$399.00
Labor	11.46
	<hr/>
	\$410.46

The oil was intermittently spread 100 ft. in front of each home of summer and permanent residents located on dirt roads in the Town of Alton.

Control of Diseased Trees:

Of the \$550.00 appropriated for the prevention of Dutch Elm Disease, \$302.56 was spent on removing twenty-two trees and taking same to the dump and burned.

TARVIA

\$4500.00 was appropriated to purchase Tarvia and the application of same.

Expenses:	Length (Feet)	Square Yards	Cost
Damon Road	1,100	1,955	\$ 247.85

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Alton School District: I respectfully submit my second report as your Superintendent of Schools.

The voters of the Alton School District approved a special study committee at the last Annual School District Meeting. The moderator appointed Mr. Kenneth B. Gilbert as Chairman, Mrs. Jack Brooke as clerk and Mr. Harold W. Finethy as member. This cooperative school district planning committee has met frequently since being appointed and are in the process of studying all of the alternatives. Their task is by far the most difficult possible — that being to find the most economical as well as the best educational means of educating the youth of Alton.

The purpose of this report will be to indicate some of the problems surrounding the present educational system in Alton:

1. In September of 1964, there were 25 students in grade 9. This same group of students are now seniors, but there are only 13 as of the start of the school year. Some have moved, some dropped out of school, some may be attending other high school, but the question still remains, why have nearly 50% of the class of 1968 who started as ninth graders never reached the twelfth grade?

2. This present school year there are approximately 17 classes being taught with less than 10 students in each class. This represents over 40% of the courses available to a high schools, but the question still remains, why have nearly 50% of is very questionable) but is it economically feasible?

3. It is now not possible to offer all of the minimum number of courses recommended each year, therefore it becomes necessary to offer some courses every other year. At present, two science courses, two social studies courses, and two practical arts courses are not offered to the students this year. There will be six of the present courses now being offered that will not be offered next year in order to offer other courses. What happens to the student who transfers into the Alton High School as a senior needing chemistry and finds it is not being offered this year?

4. A survey was made last year in order to identify the reading abilities of the students in grades two through twelve.

It was found that approximately 20% of this group were reading at a level of one year below their present grade level. The remedial reading program is presently working to alleviate this problem, but the situation is still critical.

5. The costs involved in operating a small high school increase at a greater rate than the increase in the enrollment, thus resulting in a larger per pupil cost. The Alton High School enrolled 76 students in September, eleven less than in September of 1964. There are only two other 4-year schools smaller; Orford (66) and Pittsburg (75). The average sized high school is approximately 500 students with an average pupil cost of \$581.00. The 1966-67 high school per pupil cost in Alton was \$897.13. How can the students in Alton receive the same educational opportunities as a large majority of other high school students in New Hampshire and still keep the costs nearer the average?

6. Last year there was a 40% teacher turn over in the Alton schools, most of them occurring at the secondary level. Still more surprising, of the total number of teachers in Alton in September of 1963, there are now only three still here. Within the last two years there has been a 70% turn over in the teaching staff. How is it possible to maintain stability in the teaching staff, in order to have some consistency in philosophy and in teaching methods..

Please do not misunderstand the purpose of indicating these six problems. There is no intent to paint a dismal picture, but more to indicate the tremendous task facing the dedicated members of your school board and the members of the study committee. There are fine educational practices taking place in the Alton schools. Mr. Brown, Principal, has worked diligently toward the improvement of the education being offered the youth of Alton. Through continued support of the public, it is felt solutions can be found to these problems. Some of the answers are easier than others.

I want to express sincere appreciation to the parents, business men, citizens, and all other agencies for their continued interest and support.

Respectfully submitted,
Damon A. Russell
Superintendent of Schools

C. REPORT OF THE ASSISTANT SUPERINTENDENT

To the Members of the Alton School Board and the Citizens of Alton; it is with great pleasure that I submit my first annual report as Assistant Superintendent of Schools.

The Alton schools are rapidly approaching the time when they will have a unified elementary curriculum. Presently they have up-dated material in mathematics, science, and language arts. This coming year Alton will up-date the reading program by purchasing new text books and supporting material. A clinic, a workshop and a major conference on reading is presently being planned. This will leave Social studies as the one major curriculum containing great weakness. The social studies updating is tentatively planned for the following school year.

At present a strong weakness in the tasting program exists in Alton. With the coming school year we plan to begin a systematical testing program which will make it much easier to identify children with learning problems at an early age. This will allow many problems to be corrected before they become part of the student's educational habits.

A further problem is the very rapid turnover in the teaching staff. This creates many problems. We have become very aware of the constant changes in the philosophy of the staff which has created problems in curriculum and in other areas. One of our major efforts this year will be to retain the best teachers and attempt to find and employ good teachers who will remain in our system.

Under the excellent leadership of Mr. Brown the school has progressed nicely this year. We will, however, continue to face the high per-pupil cost in the high school due to the low total enrollment. This is also a problem within the classroom from a curriculum point of view in that there is little student competition.

During the first half-year that I have held this position, I have enjoyed working with the Alton personnel. I have found the School Board sincere and determined to do their very best for the district. I now am looking forward to a progressive and successful spring.

Respectfully submitted,

Dale F. Doughty,
Asst. Superintendent of Schools

REPORT OF HIGH SCHOOL PRINCIPAL TO THE SCHOOL BOARD AND THE CITIZENS OF ALTON

I respectfully submit my first annual report.

The Alton Schools have grown in stature in the past several years under the guidance of a number of principals. Some of their major concerns have been acted upon by the citizens of Alton and are beginning to bear the fruits of improvement.

In 1965 a Remedial Reading Teacher was requested to implement the then current program. Through a series of tests and interviews it is now possible to diagnose reading problems and work towards acquiring better reading skills on all grade levels. The 1968-69 school year will see the addition of Developmental Reading to the required curriculum for the seventh and eighth graders. This course will also be offered as an elective to the ninth and tenth graders.

Our Special Education Program is now two years old. At the present time, we have an enrollment of eight students. The express purpose of this program is to place concentrated effort on individual instruction. It is often possible after a period of time to promote these youngsters into the regular program on a full time basis or have them partake in classroom instruction on a part time basis. I feel that our program has been highly successful and beneficial to these youngsters.

We have presently a Teacher's Aide working part time in our elementary program. The time she has been devoting has proven invaluable to the improvement of instruction for the youngsters. Although her duties are of a non-instructional nature, she acts as a safety valve releasing the increased paper work and routine business that is present whenever the number of students increase to the point of limiting teacher effectiveness, thus permitting the teacher to devote his time to improved classroom instruction.

In the light of these improvements that have taken place over a number of years, one must still consider areas of pressing concern that have received little attention.

The 1968-1969 school year should be the year to expand our school program. It is my intention to offer the students of Alton an equal educational opportunity and the community an

adequate school to attract new residents to this beautiful New Hampshire area. I have made the following proposals for the next school year.

1. Art: I would like to increase the number of hours that Art is taught in order to bring a more meaningful program to more youngsters.

2. Physical Education: This would appear to be the most popular extracurricular activity enjoyed by the students. I feel that we need a full-time physical education instructor. Only a few youngsters can take physical education and only for a period of five hours per week. A well organized physical education program can give the moral, physical, and mental challenges that are necessary for proper growth and development. When the students voted in January 1968, they expressed themselves by the following count: 274 "yes" (for physical education) to 6 "no" (against physical education). The desire is here and I believe it to be a sincere one.

3. Junior High Teacher: Our Junior High School will experience a substantial increase in student enrollment. This statement is based on the present size of this year's sixth and seventh grades. I sincerely hope that classrooms of 40 students or more will not be permitted by the residents of Alton and that this additional faculty member will be a realization and not just a recommendation.

The Alton School Library continues to grow and to serve the needs of over 335 students and faculty members. Our goal is to provide reference materials, supplementary reading materials, and the latest information available in periodicals for the entire curriculum of grades one to twelve. This is a large order, and we are trying to improve the quantity and quality of our materials all the time.

We plan to purchase one book per student and faculty member per year, and add about twelve up-to-date reference books, but this is never quite possible as book prices are rising faster than our budget. However our collection is growing faster than usual, due to the many gifts of excellent books and magazines which have been given by interested townspeople.

So far this year, we have purchased 176 books, and have been given 132 books. Of these numbers, fifty-three books have been for the elementary grades; seventy-six for the Junior high been for the elementary grades; seventy-six for the junior high were reference books, and eleven, professional books.

We subscribe to 45 magazines and newspapers, of which nine subscriptions are donated.

I am firmly convinced that the Alton School System can only be as good as the willingness of the community to support it.

Respectfully submitted,

David M. Brown, Principal

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of Alton
qualified to vote in district affairs:*

You are hereby notified to meet at the High School Gymnasium in said district on the ninth day of March 1968, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass and any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.
9. To see if the District will vote to raise and appropriate a sum of \$1800 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. (Recommended by Budget Committee).

10. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

11. To transact any other business which may legally come before said meeting.

Given under our hands at said Alton this 12th day of February 1968.

MARION L. MacDONALD,
KENNETH B. GILBERT,
School Board
